

The Prizm Outlets Exposure Mitigation Practices and Procedures are designed to mitigate property employees, store employees and shoppers from potential COVID-19 exposure by means of identification, evaluation, and control of pathogen transmission factors within our outlet mall. The purpose of these Practices and Procedures are to address known or suspected pathogen transmission pathways and for mitigating the spread of COVID-19 in the community. The Prizm Outlets is a community made up of property and store employees as well as our shoppers. With all of our current and newly established efforts, Prizm Outlets will continue to be a safe destination.
